

11. The student will strictly adhere to the students' bylaws in full, which may be amended from time to time without notice.
12. The college does not have a student's hostel and accommodation need to be arranged by the student himself/herself.
13. The college does not provide any meals. Therefore, the students will have to take care of their meals. The college has a canteen outsourced to a private catering service, which provides meals to students and staff.
14. The College does not provide transport for students going to teaching hospitals or for field project areas within or outside Dar es Salaam. However, if the College provides transport, it will be strictly on payment basis to meet the expenses incurred on sharing basis.
